

Alexandria History Tours

The perfect wedding weekend activity!

Alexandria History Tours wants to help make your wedding weekend special. We have worked with bachelor, bachelorette parties, and wedding parties to leave lasting memories!

Example #1

We worked with a joint bachelor and bachelorette party two months before the couple tied the knot. They took the King Street Trolley down to Market Square where we met them on a sunny Saturday afternoon. We provided a 2 hour tour and took them to Misha's coffee by request.

Google Review

“Absolutely loved our tour! We had a large group with varied levels of interest in history and everyone enjoyed it. Tim, our tour guide, did a great job at pointing out lots of fun facts along the way as we walked as well as spending time at major historical spots. He really knew his stuff and was a joy to converse with and learn from. We toured on a hot day and Tim did a great job maneuvering us all to shady areas while still going about the planned tour (we had a lot of heat sensitive members that greatly appreciated it). I would highly recommend booking a tour!”

Example #2

A wedding party stayed in Old Town and set up a group tour on the Friday before the wedding ceremony as part of their weekend activities. The tour was 1.5 hours and we started in Market Square. The tour ended at BARCA where the group had lunch. There was a special request to cover the history of Josephine's where the rehearsal dinner took place.

E-mail from the group:

“We all really enjoyed your tour of Old Town Alexandria. You have a wealth of knowledge of the area and were able to share fun facts about Old Town that made our time with you so interesting. Plus you were very accommodating to our group when we wanted to visit the site of Josephine’s.”

A professionally guided walking tour is a low-stress, easy activity to set up for a wedding weekend. Wedding guests enjoy and appreciate walking around historic Alexandria. We will even tell some fun love stories!
