Alexandria History Tours provided a two hour guided walking tour for a family reunion that stayed in Old Town. The family of 15 booked the tour on a Saturday morning. We provided restaurant recommendations and also a fantastic tour!

Tripadvisor Review:

“Highly recommend Alexandria History Tours!! Planning with Tim was a breeze. He was extremely responsive and went above and beyond by providing tons of local recommendations that helped me plan our family weekend in town. The 2-hour walking tour with Wayne of beautiful historic Alexandria was fantastic! He had a wealth of information that he shared with enthusiasm and humor. Everyone loved it. Thanks to both Tim and Wayne!”

Example #2

A college reunion class took a tour on a Sunday afternoon as the first activity in several days of reunion events. We specifically included stories related to alumni from the group's alma mater. After the tour, the group enjoyed cocktails at an outdoor venue.

The group organizer provided a referral to a friend looking for a historic tour for a college class. This led to a student group booking a tour in April 2025!

Other Reunion Examples

In July 2024, we provided a family reunion tour for a family of 15.

Hands down the best tour we have ever had! Our group does LOTS of tours - we aim to do 1 a month of some sort, and have been doing this for 8 years. So we've had lots of guides. But Wayne was the best tour guide ever. All his stories were well presented, coherent and comprehensive, he knew loads of stuff about a broad range of topics, shared a lot of human interest and historical people interactions/relationships that made it all seem very real and alive. I'm sure we barely scratched the surface of what he knew. And Tim was fabulous to work with - he offered suggestions on restaurants and things to make our trip enjoyable and fit helped us fit everything so the timing would work out for our other activities. Highly recommend!

A professionally guided walking tour is a low-stress, easy activity to set up for a reunion group. Get your friends and family outside and on their feet. Enjoy the outdoors in one of America's most historic cities!

Had Tim and his colleagues provide a tour of Old Town for our family reunion. They went above and beyond! Professional and insightful. We all learned something even though many of us previously lived here.
